

Level 2 Apprenticeship in Team Leading

Objective

This Apprenticeship is aimed at any individuals working in an environment where they are actively seeking to work as part of the team leadership. It is an accreditation of the competence, skill and knowledge assessed against National Standards.

The Awarding organisation is EAL (**Excellence, Achievement & Learning Limited**)

The Team Leading apprenticeship consists of the NVQ, Technical Certificate, ERR, PLTS and Functional Skills in English and Maths

Our Approach

The Tutor/Assessor will work with groups of learners or on a one-to-one basis to achieve the qualification.

The Tutor/Assessor will be responsible for training and assessment, as well as, supporting and mentoring the apprentices throughout the qualification. We ensure that the Assessor has a manageable caseload of work at any one time.

Delivery Schedule

The apprentice will complete the following delivery schedule:

- Three work based assessments/observations.
- Classroom based training.
- Build a portfolio of evidence to meet the performance requirements.
- Complete a bank of underpinning knowledge questions to confirm competence.
- On the job practical activities.

Quality Assurance

To ensure the quality of delivery the Internal Quality Assurer will visit the Assessor during the process and also sample learner files upon completion. The External Quality Assurer may also request a visit on behalf of the Awarding Body (EAL).
