

Level 3 Diploma in Business Administration (QCF)

Objective

The qualification is aimed at any individuals working in an administrative role or an office environment looking to progress to a higher level of skills and learning within the sector. It is an accreditation of the competence, skills and knowledge measured against National Occupational Standards.

The Programme

The Level 3 is made up of 40 credits, 13 of which come from 4 mandatory units and 27 from a selection of optional units can be chosen to suit job specific requirements.

Our Approach

The Assessor will work on a one to one basis with learners in order to complete the qualification. The Assessor will be responsible for assessing, supporting and mentoring the learners. We ensure that the Assessor has a manageable caseload of work at any one time.

Delivery Schedule

- Initial induction (includes enrollment)- approximately 4 hours off the job
- Three work based assessments- typically 10-12 hours of individual assessments in total
- There is minimum disruption during this activity
- Upon successful completion of this activity we can apply for certificates for the learners

Timescale

The time scale for this qualification is 6 - 9 months.

Quality Assurance

To ensure the quality of delivery the Internal Verifier will visit the Assessor during the process and also sample learner files upon completion. The External Verifier may also visit on behalf of the Awarding Body (EAL).

Benefits Of The NVQ

NVQs can enhance job opportunities, increase the feeling of self worth and give you a nationally recognised certificate of competence in the area of your work.
